ABOUT NEW ERA AFRICAN STONES

We are a leading Nigerian company engaged in the sourcing, processing, fabrication and supply of premium porcelain, granite and marble surfaces for residential, commercial and institutional projects.

Combining Nigeria's rich natural resources with international manufacturing standards, we deliver exceptional stone solutions that meet the demands of architects, designers, developers and discerning clients across Africa.

OUR HERITAGE

Proudly Nigerian.
Built on integrity and a
passion for natural stone.

OUR CAPABILITIES

Premium porcelain,
natural granite, marble,
fabrication and bespoke
stone solutions.

OUR QUALITY

Carefully selected
materials that meet
international standards.

OUR VISION

To become Africa's
most trusted premium
stone brand.

OUR COLLECTIONS

Curated. Refined. Crafted for Every Space.

Our collections bring together the world's finest porcelain and the natural beauty of African stone—selected and crafted to inspire exceptional spaces.

Whether your vision is contemporary, classic or timeless, our surfaces offer the perfect foundation for designs that endure.

ONE SOURCE. ENDLESS POSSIBILITIES.

From premium porcelain to natural granite and marble, we provide surfaces of unmatched quality and beauty.

SIGNATURE PORCELAIN COLLECTION

A refined selection of premium porcelain surfaces inspired by global design trends. Beauty. Performance. Versatility. Endless possibilities.

NIGERIAN HERITAGE GRANITE COLLECTION

Naturally enduring. Distinctly African. Our granites are quarried in Nigeria and processed with precision for projects that stand the test of time. Authentic. Strong. Sustainable.

PREMIUM MARBLE COLLECTION

Exquisite marble surfaces that embody timeless elegance and sophistication. Natural luxury, redefined.
